

Paper Trail for the Week of December 18th

From The Board

Time for a gift?

There's no time like the present. This month is your last chance to get a **2017 tax receipt** for a donation to the CSA's Sustainability Fund.

Your gift will support the day to day costs of the CSA's many social, learning and physical activities, events and programs currently not covered by our annual income.

Visit atbcares.com. Click on DONATE, enter Canmore Seniors Association in the CHOOSE YOUR CAUSE box, then follow the easy instructions using Mastercard or Visa. Don't forget to enter your name in the comments section so that we may recognize and thank you for your contribution.

Alternatively, you can pay by cash or cheque at the CSA, make a pre-approved payment order, or remember us in your will. As a CRA registered charity you will receive a tax receipt.

Our sincere thanks to all of you who have already generously donated to the Sustainability Fund during the year. Your contributions will be used wisely in maintaining the valuable services provided to all CSA members.

Thank you for your generosity.
